Message from MD Desk

Mr. Yong Goon Park

Managing Director
(A/S Parts division)

Dear Readers,

It's an amazing feeling to witness the incredible milestone our team has reached together which is truly inspiring, and is an evidence of our constant dedication, commitment, and determination.

It feels great to share the 1st edition of our company newsletter Infinity 2023 with all our stakeholders.

Throughout this year, we have faced and conquered numerous challenges that has tested our determination. We have embraced change and adapted swiftly to unforeseen circumstances, always finding innovative solutions to drive us forward. Our company has achieved significant milestones, inaugurating the Indore PDC and expanding the Kolkata facility. These developments enhance your capabilities and improve customer services. The "closer to customer" campaign successfully connected mechanics and IRFs across PAN India, ensuring efficient on-ground monitoring. Mobis India actively supported CSR activities for societal betterment. Overall, these accomplishments drive growth, enhance customer satisfaction, and showcase social responsibility.

Let us seize the opportunities that lie ahead, embrace innovation, and work hand in hand to make 2023 a remarkable year for Mobis India and our valued customers.

Thank you once again for your remarkable contributions.

**Shaping Success Together: Empowering Excellence,
Inspiring Innovation.**

Promotional Activities: Social Media Landscape

In today's digital age, social media has become an indispensable tool for businesses to connect with the audience. Through various social media platforms, engagement becomes quite easy and effective with customers. Social media empowers consumers by providing a platform for product discovery, access to reviews, recommendations, convenient customer support and trend awareness.

By effectively utilizing social media, Mobis India maintains a strong brand presence, engages with its customers, addresses their needs in an interactive manner. This strategic use of social media helps Mobis India to build a loyal and enthusiastic customer base.

Connecting Beyond Boundaries: Unleashing the Power of Social Media

Unleashing Digital Revolution

Search Engine Optimization

SEO is an ongoing process that requires continuous optimization, monitoring and adaptation to stay ahead of the competitors and align with evolving algorithms.

Mobis India continues to stay on top via its SEO activities.

We publish 2 third party blogs each month, which makes it a total of **12 blogs** in the first half of **2023**. We are targeting **15 keywords** for each blog.

12 blogs

in the first half of 2023.

15 Keywords

targeting for each blog.

Online Reputation Management

ORM refers to the practice of monitoring, influencing and managing the online reputation of a company.

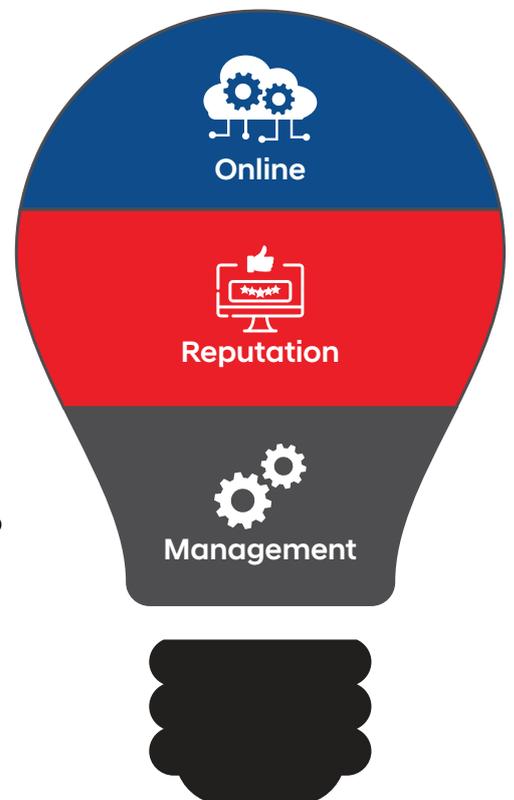

It involves various strategies and techniques to shape public perception and ensure a positive online image.

By actively managing its online reputation, Mobis India has build trust and credibility and a positive perception within its customers.

Mobis India believes in working closely with our customers to maintain loyalty and build trust. In **H1'23**, we received around **400+** ORM enquiries which were resolved within 24 hours to give the best customer service experience.

400+

ORM enquiries resolved within 24 hours.

Embrace the Digital Frontier: Unleashing Boundless Possibilities

Anti-Counterfeit Campaign

We dedicated the first 10 days of June to spreading awareness around the dangers of counterfeits. Mobis India launched an all-out campaign to spearhead the **#AntiCounterfeitWeek** in the automotive parts sector. Across all our digital touchpoints, we shared hard-hitting posts to create positive awareness. We also shot emailers to initiate the conversation around counterfeits and urged customers to use Genuine spare parts.

Your Voice Matters-Being Closer to Customer

AS Parts Sales & Marketing has conducted the marketing campaign “Closer to Customer” across PAN India. The main intent of this campaign is to bring our brand closer to the IRFs and mechanics with the support of Parts Business Development Managers, Regional Managers & Distributors to penetrate the aftermarket.

During this campaign, various interventions will be planned for business promotion in the aftermarket such as celebration of events of national importance, festivals, customer connect, training sessions and specific product focus campaigns.

In H1, we initiated 270 connect programs with 4811 IRFs/Mechanics

Expanding Boundaries, Empowering Progress

PDC Indore and Kolkata

Building a Better Society Together

Mobis India actively supports and contributes towards the community development initiatives by engaging in various CSR activities to address social and environmental challenges.

Mobis India as a responsible brand has served society by organizing various activities to support the noble causes.

Professional Development at Mobis India

Manpower as an Asset

- Manpower is one of the biggest assets and focus for the success of any organization.
- At Mobis India, manpower of more than 1000 is employed at the dealership in spare parts operations who contribute day in and day out in the journey of satisfying customers and enhancing the parts business.
- In this endeavour, our focus is also on training the HMIL dealership manpower, considering them the extended arm. Skilled manpower is the key to satisfying customer needs, minimize wastage and maximize productivity.

Training Highlights - H1

- To ensure the success of this program, the Mobis India Network team has devised an approach under our training program “कौशलता का विकास” which looks at the skill enhancement holistically.
- The program was inaugurated by the Managing Director of Mobis India, Mr. Park Yong Goon in February.
- A systematic approach was followed to design the training program which involved analysis, goal setting & taking feedback from multiple stakeholders and ensuring that each one of those inputs has been incorporated in our training program. To ensure the effectiveness of the program, we also organized a pilot run at Dharuhera and Chennai on a sample size of 50 dealers and this allowed us to refine the program further by reincorporating the feedback received during the pilot run.

Key Highlights of कौशलता का विकास

- During the launch of our training program “कौशलता का विकास” we have parallelly shared the training calendar for 2023 with the field team.
- Training content is customized as per the region and is accompanied by case studies.
- A unique initiative of the training team: Training attendance and feedbacks are captured through a QR code.
 - Pre and post tests are also taken using a QR code.
- It is ensured that the field team is made aware of all the feedback and the result during the training.
- System feedback is reported to the IT team to make the system more user-friendly.
- Our team is also committed to the improvement in sales of our accessories business, training team trains the accessories staff of the dealers.

IT Security Awareness Training

In view of mail security violations, training session by IT Team for staff members of MIN AS HO team members were conducted to educate people about IT Security Policy for preventing data breaches.

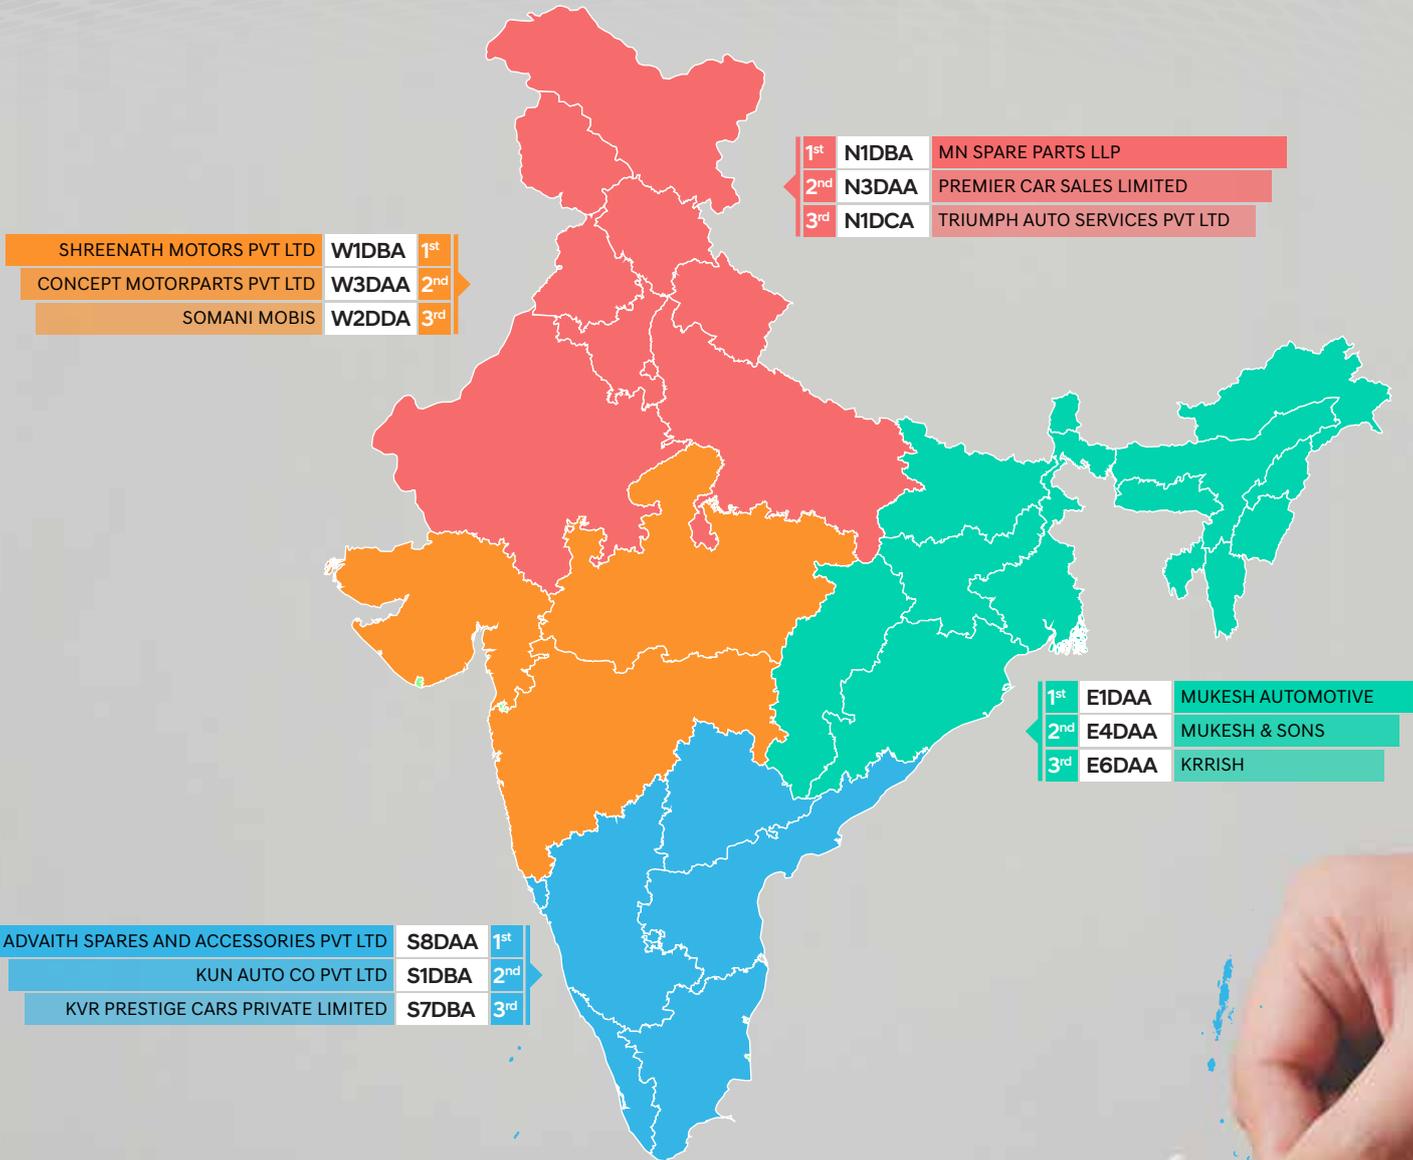

Various topics were covered under the training such as phishing, malware, ransomware, social media security and more.

Advaith Group is thankful & highly honored for such long & delightful association with Mobis India in both domain whether its for dealership business or aftermarket distribution. Advaith Group appreciates Mobis India's positive approach & effort to guide us through all these years in aftermarket distribution business which has shown a huge growth year on year. We are grateful to Mobis India for awarding us with - Best Retail Growth for Bangalore & Best Distributor for Hubli in distributor business for CY 2022 in the National Distributors Conference held at Istanbul, Turkey in December 2022. We as Advaith Group is highly confident that with continued support of Mobis India, we will reach greater heights & ensure high growth opportunities in line with growth of Mobis India.

ADVAITH GROUP

Central Region

Triumph Auto's journey with Mobis India started in 2015 with Gurgaon Vehicle Dealership, being a spare parts distributor by heart, Mobis India distribution was always a mission. I will always be thankful and appreciative of the confidence shown in me by Mobis India for allowing me to work as an authorized distributor in the catchment area of Haryana and Delhi Mobis India spare parts distribution. Now with 5 years of successful operations, I feel there is so much I have achieved and learnt from Mobis India. I and my team are totally geared up for the job and foresee very exciting learning and growing times ahead.

Did you Know?

Maintain optimum tyre pressure

Maintaining proper tyre pressure will keep you safe and even save you a little money. Improperly inflated tyres don't handle or stop as well as tyres with the incorrect pressure.

Wash your car regularly

While failing to wash your car won't result in immediate damage, over time the elements will corrode your vehicle, along with its potential re-sell value.

Keep track of the oil schedule

Despite today's remarkable advances in oil chemistry and engine technology, replacing oil every 4,500 kilometres is still recommended.

Clean your windshield regularly

A dirty windshield is a safety hazard, as it obscures your view of the road. So give it a regular cleaning.

Maintain your car's fuel efficiency

It's no secret that keeping a well-maintained automobile will help you get better mileage. Maintaining fuel economy is also more cost-effective.
